

ERRATUM

Open Access

Erratum to: COPPADIS-2015 (COhort of Patients with PArkinson's Disease in Spain, 2015), a global –clinical evaluations, serum biomarkers, genetic studies and neuroimaging– prospective, multicenter, non-interventional, long-term study on Parkinson's disease progression

Diego Santos-García^{1*}, Pablo Mir^{2,3}, Esther Cubo⁴, Lydia Vela⁵, Mari Cruz Rodríguez-Oroz⁶, Maria José Martí⁷, José Matías Arbelo⁸, Jon Infante^{3,9}, Jaime Kulisevsky¹⁰, Pablo Martínez-Martín^{3,11} and COPPADIS Study Group

Erratum

After publication of the original article [1], it has come to the authors' attention that there were a number of errors in the manuscript which were not identified at proofing. These errors affect the affiliations, Table 2, and the COPPADIS study group collaborators listed in the Acknowledgements section.

In the author list, J. Infante should have been affiliated with institutions 3 and 9, rather than just 9, as appears correctly in the author list of this erratum.

There were a number of errors in Table 2, involving the names of institutions listed in column 1. Minor errors were present in institutions 25 (Hospital da Costa, Burela), and 39 (Centro Neurológico OMS 42) within the table. In addition, the 'Complementary studies'

column of institution 38 (Hospital Josep Trueta and Parc Martí i Juliá) should have read '15/10'. As a result, the row of totals found at the bottom of Table 2 was incorrect for this column, and should have read '315/110'.

Table 2 appears correctly in this erratum.

Finally, there were errors in the COPPADIS Study group (collaborators) section. The sentence "Finally, this author will not participate in the study" was mistakenly included between the names of Ferriol MM and Leiva C. In addition, the collaborator Clemente J should have appeared as 'Segundo JC'.

Within the affiliations of this section, the city names of institutions 19 (Hospital Clínico San Carlos, Madrid) and 20 (Hospital da Costa, Burela, Lugo) appear incorrectly.
